# Blissful Wedding Reviews

BY OUR BELOVED GUESTS

The services given by them was really well packaged and they were all in-house. We had a lovely wedding experience at this venue and each guest loved their visit here. The food and all other qualities were up to the mark but the décor was not good at all! It could have been so much better. Rest all the things were perfect!

– Namrata (wedmegood) Delhi

Some of us checked out as late as 4 pm in the evening and never once were we pressurized to start leaving. The most important thing for us was to see all our guests leaving with a smile and smile they did. The food was amazing, the décor was on point and the staff was incredible. We can't thank you enough and we now feel like an integral part of the family. As you say, we left with no regrets. Only BLISS

– Pooja and Abhijit, Prayagraj

Touchwood Bliss will forever be an integral part of my life. I got married here to the love of my life on 11 June 2022. Jidnyasa, Sumit the entire team and Kapil as leader of the pack delivered a delightful event. It was a blissful event and we thank them from the bottom of our heart.

Do consider it for your event!

– Pooja Pednekar (Google), Mumbai

A very well managed venue, spacious and crowd friendly, the management is very responsive and handled everything very well! Very happy with the work done at the decorations and the food!

– Himanshi (Wedding wire), Australia

I am based in Delhi but my wife Radhika is from Igatpuri, I was hesitant about getting married in Igatpuri but was very impressed with Touchwood Bliss, I thought the venue and its services were at par with some of the five stars in Delhi. Would highly recommend it!

– Nishant P (wedmegood), Delhi

I visited here in last month for my elders brothers wedding ceremony, we booked our wedding through Jayesh ji. From start to end his support was fabulous, hats off to him. We are so so glad to have chosen this place. They took an extra mile to make sure things fell in place. We got so so many compliments about the arrangement especially about the food.

– Nana (wedding wire), Canada

Beautiful place, very professional way of dealing. Overall, satisfied with the services. Got maximum compliments from friends and relatives about natural view (hills) from this place and its good quality food.

– Awantika K. (wedding wire), Washington

I booked this place for my big day. It was an amazing experience. Everything felt so personal and dedicated to us, devoted to making our day as incredible as it could be. The whole ambience and decoration was simply beautiful, it was just as we wanted it to be. Food was really delicious. We got many compliments. Highly recommended
